Removal or reduction of penalties

We understand that circumstances—such as, serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

If you would like us to consider removing or reducing any of your penalty charges, please do the following:

- Identify which penalty charges you would like us to reduce or remove (e.g., 2005 late filing penalty).
- For each penalty charge, explain why you believe removal or reduction is appropriate.
- Sign your statement, and mail it to us with any supporting documents.

We will review your statement and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).

Removal of penalties due to erroneous written advice from the IRS

If you were penalized based on written advice from the IRS, we will remove the penalty if you meet the following criteria:

- If you sent a written request to the IRS for written advice on a specific issue
- You gave us complete and accurate information
- You received written advice from us
- You reasonably relied on our written advice and were penalized based on that advice

To request removal of penalties based on erroneous written advice from us, submit a completed Claim for Refund and Request for Abatement (Form 843) to the IRS service center where you filed your tax return. For a copy of the form or to find your IRS service center, go to www.irs.gov or call [REDACTED]

Interest Charges

We are required by law to charge interest on your unpaid penalty from the date we notified you the penalty had been assessed. The interest is charged as long as there is an unpaid amount. (Internal Revenue Code section 6601).
